
Occupational Health and Safety Policy

Management of N.R.S Poultry Sustainability & Transformation Ltd. (NRS Poultry) is committed to the continual improvement of the Integrated Management System (IMS), according to legal and other requirements, by providing healthy working conditions, consultation and participation of workers and their representatives.

The framework for setting Occupational Health and Safety (OH&S) objectives is defined in the IMS Manual.

All employees of NRS Poultry are acting to prevent injuries and health impairment through:

- Continual education to prevent injuries and impairment of health and improve the IMS effectiveness
- Continual education for safe work on all workplaces in NRS Poultry.
- Exploration of new materials and equipment to decrease workplace risk level
- Enabling a safe work environment for employees, subcontractors, and visitors, considering the nature of work and real hazards that exist at every workplace

The VP QA is responsible for communicating the OH&S Policy to all persons working for or on behalf of the organization and making it available to interested parties.
